

ConveyGuard

Convey with Confidence

Eliminate the risk of grain loss due to worn-out conveying lines, proactively shutting down your system before issues arise.

Avoid the mess and hassle of cleaning up spilled grain. Never worry about when the next elbow will wear out, ensuring smooth and efficient operation at all times.

- Available in 3"-8" sizes
- Weather, cold and UV resistant for long lasting life
- Wiring options: normally closed or normally open
- Patent pending
